LUNCH MENU

WHAT IS A THALI

A thali is India's idea of a complete plate. A chosen entree comes together with a spread of classic accompaniments, composed so the flavors balance into one generous, satisfying meal.

WHAT IS INCLUDED

Every thali is served with dal, rice, flatbread, mixed pickle, salad, raita and dessert.
Choose plain naan or tandoori roti.

Each thali is composed as a complete set, so we are unable to offer substitutions or changes. Our full menu is available on request.
